Performance Notes

Warm and Fuzzy was originally recorded by country singer **Billy Gilman** for his gold-certified album entitled *Classic Christmas*. The song was the only single from that 2000 release and was written by legendary Nashville-based songwriter-producers David Malloy and Don Cook.

Peter Benson is an adjunct professor of music at the University of Wisconsin, River Falls and formerly a professor at the North Dakota State College of Science in Wahpeton. Benson earned a Bachelor's Degree in music education and a Master's Degree in choral conducting from Minnesota State University, Mankato. Benson was the director of the Great Northern Union Chorus (Hilltop, MN) from 2002 to 2014 and also competed with 2 different quartets in BHS International competitions. Peter performs and tours, along with his wife and children, in a bluegrass, gospel, barbershop group called the Benson Family Singers.

Keep the tempo steady, relaxed, and fun throughout. This arrangement could be extended, if desired, by adding a repeat to the end of measure 34 the first time through, jumping back to measure 19 and singing from there through the end.

As a final note: Questions about the contest suitability of this or any song/arrangement should be directed to the judging community and measured against current contest rules. Ask *before* you sing.
